OUR OFFICE FINANCIAL POLICY

The following description of our office policies on payment arrangements and dental insurance is provided to help eliminate any misunderstandings that may arise during the course of your treatment in our office. We will be happy to answer any questions that you may have.

Payment is to be made at the time services are rendered.

We accept Cash, Check, ATM, Visa, Mastercard, Discovery and American Express

We offer a financing option through CapitalOne Dental Fee Plan

We offer a 5% discount for payment in advance for any treatment over \$750.00

Special arrangements are sometimes necessary for extensive dental care. These arrangements must be made in advance. There will be a service charge of 1.5% per month on any unpaid balance.

For all Crowns, Bridges, Implants, Partial and Full Dentures, we require ½ of the estimated fee at the commencement of the treatment and the remainder to be paid on or before the day of placement of the restoration.

We will submit your dental claims to your insurance company as a courtesy. However, please note that you are ultimately responsible for all charges incurred in this office regardless of the fact that your insurance company's usual and customary fees may differ from our office fees.

If there are any changes in your dental insurance coverage, please notify us as soon as possible.

A charge will be made for broken or failed appointments without 24hour notice.

Thank you.
